1. The scholarship will be awarded to a graduating student from high school intending to study music at a post-secondary institution. The student must provide proof of acceptance into the music school of his/her chosen university once confirmation of same is received. The application form may be obtained from the Executive Secretary of the Rotary Music Association.

3. The student must provide a current high school transcript.
4. The student must provide two letters of reference from non-relatives.
5. The student must provide a letter stating why he/she is suitable to receive this scholarship.

7. The student must provide proof in each of the two years he/she receives the scholarship, subsequent to the drop date for courses, that he/she is still enrolled in the Faculty of Music as a full-time student. Failure to provide confirmation of full-time enrollment in the Faculty of Music will result in a forfeiture of the scholarship funds.
8. The scholarship will be paid directly to the university in two installments; the first installment will be paid after confirmation of full-time enrollment in the Faculty of Music is received for the first university year and the second installment will be paid after confirmation of full-time enrollment in the Faculty of Music is received for the second university year.
9. An alternate for the scholarship will be also named who will be eligible to receive any unused scholarship funds that the scholarship winner does not claim. This alternate will also have to meet all the above-noted criteria in order to obtain the scholarship.

15. A person who has already been awarded the scholarship is not eligible for the scholarship again.
16. The scholarship shall be used within 24 months from the date of its award unless the directors of the Association agree to an extension, which, in any case, shall not be for more than 12 months.
